

Greetings from the DFA!

The Delmarva Farriers Association (DFA) would like to invite you to our first annual general membership meeting. We are a non-profit membership organization dedicated to education for horse owners, farriers, veterinarians and others with interests in the equine industry. The educational focus of the DFA includes topics like proper hoof care, farrier science, horsemanship, and equine husbandry. Public interest in this organization has been overwhelming.

When you join the DFA your membership card becomes a \$50 discount coupon. The upper left corner of the card says "\$50 OFF" When you attend a DFA clinic **where the cost of admission is more than \$50**, we cut this corner off of the card and you get a \$50 discount on the cost of the clinic. In other words, your dues are FREE because you get it back the first time you go to a DFA clinic. We will be planning these clinics and selecting the dates at the **DFA ANNUAL MEETING on June 26th, 2004**. Please plan to attend the meeting so that we can have your valuable input! Every member has something to contribute – that is the value that each of us brings to the association.

DFA General Membership Meeting Saturday June 26th 2004 @ 10:30am
