Saturday June 6th, 2009 Clinic with Mike Wildenstein, FWCF

Start time - 8:00am - Breakfast and Lunch INCLUDED

The DFA is very pleased to host a day with Mike Wildenstein, Cornell University's staff farrier and member of the International Horseshoeing Hall of Fame. We will kick things off with Mike doing a live draft horseshoeing demonstration with hand made shoes and then spend the rest of the day covering various farrier science topics.

Cost for the clinic is \$50 if you are current in your DFA annual dues and \$100 if you are not current in your dues.

Please send payment for the in advance by May 31st so that we can plan to have enough food for everyone.

Clinic location and mailing address at Abner Hershberger's Shop:

**Delmarva Farriers Association
947 Apple Grove School Road
Camden Wyoming, DE 19934**

Questions about dues - contact DFA Secretary/Treasurer Tom Bloomer 302-222-6404

Please make a note of the change in location for the June 20th DFA Hammer-in.

Cristy Byler is moving away from Delmarva. We will not be seeing him as often and we are all going to miss having him (**and his horse**) at DFA functions. Last week Cristy contacted our President, Jimmy Enfield, and requested to host the next DFA Hammer-in at his shop.

**June 20th Hammer-In at Cristy Byler's
Sharon Hill Blacksmith Shop
379 Sharon Hill Road
Dover, DE 19904**

Let's all be sure to attend this hammer-in so we can give Cristy (and his horse) a fond farewell as they head off to make a new home away from Delmarva.

Note: Future hammer-ins will continue as usual on the 3rd Saturday of each month at Abner Hershberger's shop.
